

ST. MAARTEN

Public Announcement

Due to international development, the global prices of Unleaded Gasoline and Diesel have experienced a significant decrease. Given the aforementioned, the general public is hereby informed that as of Monday May 28, 2012 the prices of petroleum products have been adjusted as follows:

| | Current Price | New Price |
|--------------------------------|------------------------------|-------------------------------------|
| Unleaded Gasoline (ULG) | 273.00 Antillean cents/liter | 249.00 Antillean cents/liter |
| Diesel | 229.00 Antillean cents/liter | 215.00 Antillean cents/liter |
